Chairman, Paul Dickey called the public hearing to order at 3:00 p.m. In attendance were Supervisors John Hines and Terry Doerr, Solicitor, Wil White and three members of the public.

Opening statement by Township Solicitor, Wil White. The advertisement, for this public hearing, was in legal section of Butler Eagle on February 7th & 14th, 2017, (Exhibit A). A map of the proposed section of North Creek Road to be vacated, by the township, was submitted for the record (Exhibit B). The property was posted on February 7th, 2017 at the corner of North Creek Road, Slippery Rock, Butler County, Pennsylvania. This proposed vacating of North Creek Road was reviewed by the Slippery Rock Township Planning Commission and their recommendation was to vacate the portion of North Creek Road. This vacated portion will be included on map and parcel number 280-4F72-7B, current owners Gary and Christina Styers.

Mr. White requested, that if anyone would like to give testimony in this matter, please state your name and address for the record. The stenographer will now swear in anyone who wishes to speak at this public hearing.

Christina Renee Styers, 215 North Creek Road, Slippery Rock, stated that the reason they would like this portion of North Creek Road to be vacated, is so that they can meet the setbacks to rebuild the barn. This section of North Creek Road has not been used in years and is overgrown.

Wil White addressed Section 4 of the proposed Ordinance 2017-1 that reserves the right for the township to enter onto the property for maintenance and inspection of the stormwater device already installed on the portion of the proposed vacated section of North Creek Road.
